

UTAHSM
THIS IS THE PLACE

This plate is being offered to all ALPCA members on a first come first serve basis. Plates will be numbered beginning with 1 and ending with the number 100 (No duplicate numbers will be issued). Priority will be given to those who ordered the same number last year. Plate numbers over 100 will be considered personalized.

These specially designed souvenir meet plates are made of heavy gauge aluminum, produced digitally in full color on a 3M reflective background, as pictured above. Personalized plates will be available for an additional fee. Plate numbers 1, 2, and 3, will be reserved for the live auction at the meet on Saturday, October 16.

Members who purchased our previous meet plate (2009) will have priority in ordering the same plate number this year. Members can reserve their number or a lower number, if available. To reserve your plate number, orders must be received by **Saturday, September 18**. Orders received after that date will be assigned numbers on a first come first serve basis while supplies last.
